

**Subject:** Financial Aid Access Code for MAC 1105 20171 - IV - 556794 / College Algebra

**Date:** 2016-10-18 17:20:40

**From:** ALEKS

**To:** Foley;

This message contains the Financial Aid Access Code requested for MAC 1105 20171 - IV - 556794 / College Algebra.

**Instructors:** Please forward or print this email to share with the student(s) requesting assistance. For more information on the steps a student should follow to use the FAAC and extend their ALEKS accounts uninterrupted, please reference the attached documentation.

**Instructions for the student:**

Your **Financial Aid Access Code** is: **57B8E-DA5B1-FD5EF-9A8A0**

**The Financial Aid Access Code does not add an additional two weeks to your account.**

**NOTE:** This code gives you temporary access to ALEKS for a two-week period. Once the code expires, you will be locked out of your ALEKS account until you purchase a regular Student Access Code. **It is highly recommended that you purchase the Student Access Code BEFORE the two weeks expire** to prevent interruptions with your ALEKS account.

1. To sign up into ALEKS using the Financial Aid Access Code, go to ALEKS by following the link on your course page.
2. Proceed as a new ALEKS user.
3. When prompted, enter the 20-character Financial Aid Access Code.
4. Continue with the registration process until your account has been set up successfully.
5. After you complete your account set up you will be logged into ALEKS and can immediately begin working in the course.
6. You can extend your ALEKS account at any time by clicking on "extend your account" and entering a purchased Student Access Code. If your temporary access expires before you purchase a Student Access Code, simply log in to ALEKS and you will be directed on how to extend your current account. You will then be able to continue your course where you left off before the temporary access expired. **You do NOT need to create a new ALEKS account to continue your course.** Enjoy your course.
